Hello,

Below are the agenda items I've compiled for tomorrow's EFED internal neonic meeting. Please let me know if you have anything to add. Also, I indicated which folks I thought would lead the discussion on each topic, so you know you've been tagged 😊

Ex. 5 - Deliberative Process

Hello everyone,

This meeting will be a biweekly check-in for the imidacloprid, clothianidin, thiamethoxam, and dinotefuran teams across EFED. It can serve as a platform for coordination across teams and with PRD, a time to discuss technical issues and compare notes, and to help keep everyone engaged and on track as we continue to work through the neonic pollinator PRAs.

If you have any agenda topics, feel free to send them to me as they arise, and I can compile them as the meeting draws near. If there's nothing to discuss for a given date, we will cancel.

Thanks,

Monica
